

**Virtual Activity:
TAPS Good Grief Camp at Home**

Activity Created/Presented by

Renee Monczynski, Manager, TAPS Young Adult Program
Kimberly Taylor, Manager, TAPS Youth Programs

Activity Name

The Legacy of Us

Age Group

For all ages

Description

In this interactive session, we invite you to gather with your family to create a symbolic project that encapsulates our loved one's legacy of service, our strengths as a family, and our hopes for the future.

Together as a family we will be building a family shield, creating a family time capsule, and sharing hopes for the family in the coming year.

Supplies Needed

Paper, markers, pens, tape, stickers, a container.
Family project print out worksheet.

Adaptation/s

If you are unable to print you can use the worksheets as examples and create your own on paper.
Your container can be anything you choose that will last a year: a box, a jar, a poster tube, anything is possible.
