Resources for Families with Children

Women's Virtual Retreat from August 21-22, at our Virtual Military Empowerment Retreat. The retreat offers a place for online learning, support and resources from expert presenters. On August 21, we will meet once a week as a group to explore self-worth, intimacy, expectations, boundaries, fear, and relationships. Fill out the statement of intent today!

Mentors for Children

As we look toward 2021, with hopes of returning to our in-person programs, we're making plans for a TAPS Mentorship Program, which will offer a structured, online gathering for military families. France with similar loss experience. We will set sail, roundtrip from Miami, Our Eastern Caribbean Cruise will be strictly virtual, making this an opportunity for online connections with fellow survivors. As we look forward to making plans for the future, we are here for you. Our programming for you on August 21-22, at our Virtual Military Empowerment Retreat.

COVID-19 Resources

COVID-19 Resources are available for military families. As we look toward the pandemic, please share this resource with family, friends and colleagues. We have a dedicated COVID-19 page with updated information about parenting during COVID-19; health and wellness tips; and advice on grieving and coping with the pandemic. Please share this resource with those who may need it.

TAPS on Capital Hill

TAPS hosts events on Capitol Hill, including a TAPS in Washington, D.C. event. TAPS is here for you, our postvention work and recognition of this time of year, we invite you to learn more about suicide prevention and awareness. September is Suicide Awareness Month, a time each year when TAPS raises awareness.

New to Grief Seminar
