“The lives of those who we love and remember and honor are carved into our soul, imprinted on our hearts and woven into the fabric of our nation. They make us stronger, they inspire us, and in that way, they are eternal.”

Montana Men’s Retreat
August 30 - September 3, 2021
Grief can take you out of your comfort zone. It’s easier to distance yourself, hide your emotions, and pretend you have everything under control. But when you see that others share this journey, you can find new ways to grow and heal. Step away from the stressors of life and get into nature where you can focus on yourself, honor your loved one, and connect with other men who understand. Applications are open from May 1 - 20.

On Memorial Day, We #HonorThem
“For me, Memorial Day weekend is my favorite weekend of the year. I know that on that weekend, everyone who ever knew my husband, Sgt. Maj. Rob Bowman, is remembering him and honoring his life and service.” As we move into May, we will be sharing stories of reflection. To begin, surviving spouse Coleen Bowman shares her memories of the past, and what this sacred time means to her now, as she starts new traditions and continues old ones to honor and carry forward the legacy of her husband and all those who have given their lives in service. We invite you to read Coleen’s story and encourage to share your own thoughts on what this day holds for you. Email editor@taps.org with your stories.
