

Please join us!

29th Annual TAPS National Military Survivor Seminar & Good Grief Camp

Memorial Day Weekend

May 25 – May 29, 2023

Crystal Gateway Marriott | Arlington, VA

Memorial Day is the time America pauses to honor those who have given their lives in service to our nation. This day, more than any other on the calendar, is a testament to our nation's long history to meet any challenge and protect our freedom. The significance of this day is etched into the hearts of those of us who are now the living legacies of American service and sacrifice. We are a family, together now to help each other heal.

Since 1994, TAPS has hosted the Annual National Military Survivor Seminar and Good Grief Camp. Held over the Memorial Day weekend, this event connects thousands of surviving loved ones with peers and professionals who provide the support and assistance survivors need, whether administrative, health-related, or emotional. Trained grief and trauma professionals, military chaplains, casualty officers, and specialists in military-survivor resources offer their time, expertise, and knowledge to ensure we have the very best resources and support.

TAPS families will travel from all over the country — and the world — to participate in this special weekend, and a team of volunteers and Military Mentors will provide over 25,000 hours of service throughout the seminar in support of hope, healing, and honoring Fallen Heroes. This year, we will continue to offer a live virtual component on Zoom for those who are unable to attend in person.

Thank you for joining us for the 29th Annual National Military Survivor Seminar and Good Grief Camp! We look forward to welcoming you with love and care!
