The Mission of TAPS

TAPS (Tragedy Assistance Program for Survivors) honors the legacy of our fallen heroes by providing compassionate care and unwavering support to their families. Since 1994, TAPS has stood beside survivors with 24/7 grief support, peer mentoring, casework assistance, and connections to community resources. Through our National Military Survivor Seminar, Good Grief Camp, regional seminars, retreats, and programs—including in Colorado—we help survivors find hope and healing. TAPS ensures that the families of America's fallen are never alone.
