The Tragedy Assistance Program for Survivors (TAPS) is the national organization providing compassionate care for the families of America's fallen military heroes. When a member of America's armed forces dies, TAPS is on the front lines providing compassionate care to the families left behind. Since 1994, TAPS has assisted over 100,000 surviving family members, casualty officers and caregivers who are grieving the loss of a military loved one, regardless of the geography or the circumstances of their death. TAPS is the leading professional organization serving the needs of those grieving a loss in the military community.
