

# Ways to Support

The Tragedy Assistance Program for Survivors (TAPS) is the leading non-profit providing compassionate care and services for the families of America's fallen military heroes. TAPS provides peer-based emotional support, grief seminars for adults, camps for children, case work assistance, connections to community-based care, and a 24/7 helpline for all impacted by a military death. Since 1994, TAPS has supported 100,000 military survivors.
